DETAILED ACTION

Claim Rejections - 35 USC § 112

- 1. The following is a quotation of the second paragraph of 35 U.S.C. 112: The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
- 2. Claims 13-14, 21, 27-32, 41, 42, and 45 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 13, line 1, "electronics" should be changed to -electronic-for consistency.

In claim 21, line 1, "and software" should be deleted since "The electronic communication method and software" lacks proper antecedent basis. Moreover, no computer medium has been recited such that the "software" is directed to non-statutory subject matter.

On line 1 of each of claims 27-32, "communications" should be changed to -communication— in order to be consistent with "communication" of claim 26, line 1.

On line 1 of each of claims 41, 42 and 45, "communication" should be changed to --communications-- in order to be consistent with "communications" of claim 33, line 1.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stella L. Woo whose telephone number is (571) 2727512. The examiner can normally be reached on Monday-Friday, 8:00 a.m. to 4:30 p.m..
